

THE PROBLEM

- The #1 cause of death in WA State is abortion.
- Our Puyallup location is facing a dramatic increase in the lease.
- We have faced two options — to either lease or purchase a new building

THE SOLUTION

- We found a building conveniently located for patients and clients.
- Full purchase of this building would save a minimum of \$7,000 per month in expenses.
- God has blessed us with a healthy down payment, giving us the boost we need to **Move Forward in Hope** for the new location.
- We ask you to prayerfully consider partnering with us.
