2020 ANNUAL REPORT & INFORMATION BOOKLET
Greetings to all those who share Care Net’s vision and serve Him faithfully for life,

It is an honor to serve the Lord in this life-giving work. God has done great things for Care Net of Puget Sound in midst of a worldwide pandemic, and we are grateful for His provision!

In the midst of a pandemic during 2020:

- We provided essential medical services and family support, empowering women to choose life for their unborn children, access referrals for physicians, and meet other pregnancy needs.
- Our Smart Programs added 3 additional presentations and began to offer presentations virtually as well as in-person. Now teachers and leaders may show several 45-minute presentations to students, youth groups, teachers, MOPs groups, community agencies, youth centers and more in a convenient, safe format.
- Our Lavender Tree program began the process of expanding to include pregnancy loss support for those who have miscarried, had a stillbirth, experienced SIDS, as well as faced an adverse pregnancy diagnosis. Work continues in early 2021 with hopes to begin offering these new services in the fall of 2021.
- In June, we opened our material support programs to other community agencies and anyone in our communities that needed extra items. God, through His people, provided hope through truckloads of items. It was like the loaves and the fish, and we are grateful for all those who helped us provide for the needs of our communities.

In 2021, our focus is on serving the Lord faithfully in recognition of the truth that everyone has been created by God with purpose. Everyone who has a part in this ministry has been supplied by God with talents and gifts to support families, and we are grateful for the sacrifices of time, talent, treasure, and prayer made for Care Net of Puget Sound.

- On January 22, 2021, (the 48th Anniversary of Roe v Wade) we celebrated the relocation of our Puyallup location. It is a beautiful building which we have been blessed to purchase and, in purchasing, are honored to show our ongoing commitment to serve the Puyallup and east Pierce County area where we’ve ministered for 26 years. We opened our doors on December 22, 2020, and saw 28 clients in this new facility by the end of the year. We are truly blessed!
- We look forward to opening our expanded Lavender Tree program in September.
- We are expecting the number of women seeking the Abortion Pill Reversal will increase, and we look forward to serving each patient that comes to us for help.
- Among numerous new staff members, we have hired a new Client Services Director for our location in Bellevue at Jubilee Reach. We look forward to resuming family services at that location as well as our pregnancy medical services.

We are eternally grateful for the ability to serve others in Christ’s name, share the Gospel in love, and know that God’s people, through their prayers, gifts and service, can make a tremendous difference for those who walk through our doors. What great things God has done for us, through all of you.

In His joy,

From the Executive Director

“Only fear the Lord and serve Him faithfully with all your heart. For consider what great things He has done for you.” 1 Samuel 12:24

Mission Statement
Care Net offers hope by providing compassionate practical care, accurate information, Biblical Truth, and life-affirming resources for pregnancy, sexual health & integrity, and abortion recovery.
Community Outreach

Care Net works in collaboration with various health and human service organizations, as well as several city and county coalitions in Pierce and King counties to enhance our network and referrals for the care of our patients and clients. We are purposeful and promise to guard, protect, and maintain our own identity and remain true to our mission, vision, and standards of operation in all that we do.

“I’ve never felt so comfortable during any visits at any clinics as I did at Care Net.”

A couple came into our center to find out if she was pregnant. Not only did they confirm the pregnancy, but they heard the truth of the Gospel for the first time in their lives.

When our client advocate asked them about their spiritual beliefs, the woman explained she believed in God and prayed to Him but didn’t know who she was praying to. The advocate asked if she could share how she came to have a relationship with Jesus, and the couple agreed.

As the advocate shared about her relationship with God, she shared how they too could experience the redemption and restoration of a relationship with Christ. The couple had never heard the Gospel before and eagerly shared that they wanted this relationship with Christ as well.

Our client advocate was able to witness both this woman and man experience the saving power of the cross and now help support them as they begin a journey into parenting, empowered by the Holy Spirit and supported by Care Net.
