Care Net offers hope by providing compassionate practical care, accurate information, Biblical Truth, and life-affirming resources for pregnancy, sexual health & integrity, and abortion recovery.
From the Executive Director

"For no one can lay any foundation other than the one already laid, which is Jesus Christ."
1 Corinthians 3:11

Care Net of Puget Sound continues to build on a firm foundation. 2021 was an amazing year for the ministry. You might have expected that in our second consecutive pandemic year there would be many challenges and difficulties, but 2021 was a year of amazing growth!

The number of clients served at Care Net centers increased 26% over the previous year—a new record! We also saw a steep increase in the number of ultrasounds performed—up 40% over 2020. Our Healing Tide program participants grew over 50% and we expanded to offer support after miscarriage, stillbirth, and infant loss. 2021 was also a year of transition with the retirement of Kim Triller who faithfully served Care Net for 27 years as Executive Director.

As we complete 40 years of ministry, we are looking forward to continuing ministry growth—built on the same firm foundation. We are indeed “Called for Such a Time as This.” We are called to offer hope to every client that comes to us. We are called to consistently live out the values of Care Net: stewardship, healthy relationships, strategic focus, faithful integrity, and professional excellence.

We remain committed to stay true to God’s call for this ministry. As a result, donations remain very strong, volunteers are increasing, and Care Net centers are increasing the number of people served.

It is our prayer that hearts and minds of people are changed by Jesus and the value of unborn life and family is of utmost importance to them, building a society that loves the Lord, life, and family. We thank God for every donor. We thank God for every person praying. We thank God for every staff person and volunteer. We thank God for every man, woman and child we’ve had the honor to serve, and for every brave client and couple who chooses life for themselves and their unborn child!

To God be the glory!

Dave Mitchell
Executive Director

Elizabeth was in the middle of a complicated divorce when she found herself pregnant. But her husband wasn’t the father.

Filled with shame and fear of what people would think, she thought an abortion would solve all of her problems. No one would need to know. That’s when she came to Care Net.

Although she was early in her pregnancy, an ultrasound showed a clearly beating heart, and Elizabeth’s heart was changed.

Despite her shameful circumstances, she realized abortion was not the answer. She decided to carry, recognizing this life was a gift from God regardless of how this baby was conceived.

“And we know that for those who love God all things work together for good, for those who are called according to his purpose.”

– Romans 8:28

Name changed to protect client confidentiality.
100% satisfaction rating from clients who completed an exit survey

**Smart Mind** explores mental health, depression and suicide prevention.

**Smart Boundaries** educates teens on creating and maintaining healthy personal boundaries.

**Smart Freedom for Teens & Adults** establishes awareness about sex trafficking.

**Smart Steps** encourages teens to lead a holistically healthy lifestyle.

**Smart Home** equips parents to teach their children about sexual health.

Restoration for women who have suffered pregnancy loss through abortion, miscarriage, or stillbirth.

Restoration for men and couples who have experienced an abortion or participated in an abortion decision.

Healing Tide ministers through:
- 6-to-8-week Bible studies
- Weekend retreats
- 1-on-1 mentoring

Helping men develop parenting and life skills through:
- 1-on-1 mentoring
- Small group sessions
- Interest groups

In-person or virtual support:
- Purposeful Parenting mentoring
- Group classes
- 1-on-1 mentoring
- Maternity & baby supplies
- Community referrals & resources
Serina and her husband walked into Care Net with pits in their stomachs. Serina was pregnant. With no health insurance and no steady income, they were worried they couldn’t afford the baby and thought it’d be best to just have an abortion.

We sat down with the couple and shared resources and referrals to organizations that could greatly reduce the cost of the pregnancy and help cover medical expenses. We also shared our parenting program and how they could attend classes to earn everything they’d need from diapers and wipes to a car seat and crib.

In our center, they realized they didn’t need to choose abortion. With our resources and referrals for even more pregnancy support services, Serina and her husband chose life and are now excitedly preparing for the arrival of their little one in 2022.
Giving that made a difference.

Total Monetary Giving $2,689,251
- Direct Support $2,581,580
- Capital Campaigns $105,921
